PE&LE

A project built around high-impact sets and a constant connection with the dancefloor.

BIOGRAFIA / BIOGRAPHY

Impulsados por una pasión inquebrantable por la música electrónica, PE&LE nace con un objetivo claro: ofrecer sesiones de alto impacto donde la energía, el groove y la conexión con el público sean los protagonistas.

Desde 2023 han compartido cabina con artistas como David Meiser, Ania Bruster y Sandersweet, consolidando una identidad sonora basada en el Hard Groove y el Schranz.

Desde Almería trabajan con una visión ambiciosa y profesional, comprometidos con el crecimiento de la cultura underground y con aportar valor a cada evento.

ENGLISH

Driven by a relentless passion for electronic music, PE&LE was born with one clear purpose: to deliver high-impact performances where energy, groove and crowd connection come first.

Since 2023, they have shared the booth with artists such as David Meiser, Ania Bruster and Sandersweet, shaping a distinctive sound focused on Hard Groove and Schranz.

Based in Almería, Spain, they approach every opportunity with ambition, professionalism and a deep commitment to underground culture.

02

SONIC IDENTITY

Techno at its most physical: movement, pressure and precision.

- **Hard Groove** - rhythm, movement and a rolling low end.
- **Schranz** - raw intensity and high-impact transitions.
- **Carefully constructed sets** designed to hold the dancefloor from the first track to the last.
- **A duo format** built around technical control, shared instinct and direct crowd response.
